

Lab Instructions (Students see this):

1. Like you did in the last lab, you will create a copy of **lab3.html** and rename it **lab4.html**.
2. Open Sublime Text. Click **File -> Open** and open up the newly created **lab4.html**.
3. Open up **lab4.html** in your Chrome browser as well, by opening Chrome then click **File -> Open** to navigate to **lab4.html**.
4. Back to Sublime Text! Look for the **<head>** tag near the top of the file. Inside the **<head>** tag, add a **<style>** tag. You will write your **CSS** in here.
5. Write CSS to:
 - a. Add a **background color** to the entire web page.
 - b. Resize images so that they aren't too big.
 - c. Change the font to another font family. Here are some web safe fonts:
 - i. Arial, Tahoma, Verdana, Georgia, Times New Roman
 - d. Change the **color** of some text to a different color.
 - e. Add a **border** around at least one image.
 - f. Use at least one **id** selector in your CSS rule.
 - g. Use at least one **class** selector in your CSS rule.
 - h. Add your own CSS property to anything on this web page. Go to <https://adam-marsden.co.uk/css-cheat-sheet> and scroll down to "Text-Styling." Try using any of those properties.

6. Find at least **one more image** that relates to your interests. You can use pictures you took from your phone or images you find online.
7. Save images in the **images** folder created last session.
8. Resize the image using **CSS** this time. Create a CSS rule for it.

Parks and Recreation

About the Show

[Parks and Recreation](#) is an American political satire sitcom television series created by Greg Daniels and Michael Schur. The series aired on NBC from April 9, 2009 to February 24, 2015, for 125 episodes, over seven seasons.

Plot

Leslie Knope, a midlevel bureaucrat in an Indiana Parks and Recreation Department, hopes to beautify her town (and boost her own career) by helping local nurse Ann Perkins turn an abandoned construction site into a community park, but what should be a fairly simple project is stymied at every turn by oafish bureaucrats, selfish neighbours, governmental red tape and a myriad of other challenges.
